Made in USA

Sure-Foot Industries' BOLD STEP® aluminum extrusions are a permanent attractive solution.

BOLD STEP® is an eye catching, resilient, anti-slip product for use on steps that require an anti-slip surface. Either used in new construction or renovation projects, our treads and nosings deliver maximum safety and durability while providing a look to compliment today's building designs. BOLD STEP® is strong enough for industrial applications but attractive enough to be used at your residence.

Sure-Foot Part #	Description	Details
425NG1	2.6" Tread	Specify color and length up to 120"; optional stripe
404NS2	4" Tread; Double Cavity	Specify color and length up to 120"
475NS2	7.5" Tread; Double Cavity	Specify color and length up to 120"; optional stripe
409NS2	9" Tread; Double Cavity	Specify color and length up to 120"; optional stripe
411NS2	11" Tread, Double Cavity	Specify color and length up to 120"
All NS2 treads are available in 2 color combinations to meet ADA recommendations		

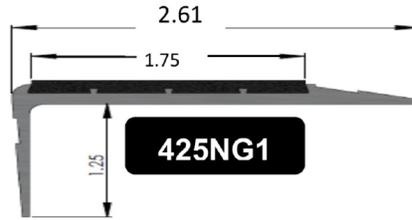

Ideal for use on interior or exterior steps and landings. Our superior BOLD STEP® coating system resists chips, dirt, scratches, stains and oils unlike open cell porous products. Periodic washing is all it takes to keep your steps looking new.
