Treads available in 5" x 24" die-cut pieces

Custom sizes available

Designed specifically for marine use made with a fine grit suitable for bare feet

Easy to clean, will not shred a sponge or mop

Treads come with one side pressure sensitive adhesive with removable liner

Visit www.surefootcorp.com for additional installation instructions

Made in USA

Sure-Foot's MASTER STOP® Marine line of anti-slip tapes are designed for use in and around your recreational watercraft.

These products utilize unique grit blends applied to a pressure sensitive adhesive polyester film which provides an industrial strength non-slip surface without the look and feel of aggressive industrial tapes. These specialized safety products are now available in five (5) distinct colors. Our White, Brown, Beige, Black and Grey products can be used on a wide variety of surfaces such as ramps, decks, pool areas, docks and gangways.

» MASTER STOP® Marine Safety Tapes and Treads

Master Stop® Marine Tapes and Treads are made with a proprietary blend of fine abrasive grit adhered to polyester film to provide maximum slip resistance while appealing to today's savvy consumers. Our Marine line meets and exceeds OSHA and ADA recommendations for slip resistance on both flat and inclined surfaces. The adhesive backing with removable liner offers the versatility to be applied in both interior and exterior applications. Suitable for pet use and barefoot traffic, the Marine Collection offers superior anti-slip products in today's appealing colors.

» Marine Tape Rolls

Master Stop's® Marine line of tape is an easy and effective way to improve safety while helping minimize slips and falls. These specialty tapes are available in standard 2" & 4" wide rolls but can also be ordered in custom roll sizes if necessary. Our Master Stop® tapes and treads can be installed on a wide variety of surfaces such as wood, smooth concrete, fiberglass, metal or tile providing the surface is clean, dry and the temperature is between 50°F and 100°F. Visit www.surefootcorp for additional installation instructions.

» Marine Treads

Master Stop® Marine Treads are available in pre-cut 5"W x 24"L pieces with rounded corners for use on steps, ramps and walking surfaces. This unique dimension will allow for use on standard 6" deck boards without the need to trim or cut the tread while simplifying the installation. Just peel and stick the treads to a clean, dry surface and it's ready for immediate use. Visit www.surefootcorp for additional installation instructions.
